The Chamber participated in the WEDC branding round table hosted by Main Street Mayville. Great results were provided by the WEDC Branding team who took our new logo to the next level as you can see now on the Mayville Chamber office window. Also designed for Mayville were the Main Street Logo, the Park Street Square and the new Banners put up on Main Street.

The Mayville Area Chamber of Commerce in conjunction with the Horicon Chamber of Commerce hosted a Job Fair at the Mayville Park Pavilion on Oct. 5th. 21 Area businesses participated in the day long event. This is the first of hopefully many joint ventures with our friends on the Marsh. We continue to have meetings with the Horicon Chamber on where joint efforts make sense. ATV-UTV, Golf Carts- The city has approved ATV/UTV traffic within the city limits of Mayville and is erecting signs on entrances to the city to allow these off road vehicles on Mayville's Streets. A local entrance route map will be posted on the Mayville Chamber Website. The Chamber welcomes all new patrons to our great city!

The Chamber partnered with the Mayville Public Library for the Summer Reading Program and donated this Fire HD8 Kids Pro as one of the top prizes! The funds for the Kids Pro were raised by the 2021 Chamber Raffle. Thanks to all who purchased a ticket!
